

Community Harvest Charter Schools

One team...one mission.

September 30, 2011

Dear CHCS Parent/Guardian:

Community Harvest Charter School (CHCS) is presently in the process of launching the CHCS Leadership Council. An election process is presently being facilitated to seat parent representatives. As an elected member of the leadership council you will have an opportunity to:

- Assist in the development of the school program.
- Support the implementation of the school program.
- Participate in assessing (periodically) program effectiveness.

Below is a summary of the parent election process:

- Interested parents complete and return the candidate form below.
- A paper ballot will be conducted during CHCS' open house on October 8th (please see the attached calendar).
- The elected parent representatives will be announced via a follow-up letter to parents on October 9th.

A total of two parent representatives will be seated. You are eligible to become an elected council member if you are the parent of a student enrolled in our middle school or high school program.

For additional details regarding CHCS' Leadership Council please see the attached leadership council overview that was distributed during our September 24th meeting. We welcome and encourage your participation.

Sincerely,

Vivianna Trujillo
Director
